

## JSH150 TDS

### Product Overview

Yongle JSH150 professional-grade soft PVC marking tape delivers exceptional performance in high-traffic industrial and sports environments. Featuring durable rubber-based adhesive and flexible PVC carrier for superior conformability and long-lasting durability.

### Technical Specifications

Property	Value	Test Method
Total Thickness	0.150±0.025 mm	EN 1942
Tensile Strength	≥18 N/cm	ISO 29864
Elongation at Break	≥150%	ISO 29864
Adhesion to Steel	≥1.0 N/cm	ISO 29862
Tack	≥6 #	GB/T 4852

### Key Features & Benefits

**High-Visibility Dual Colors** - Enhanced safety recognition and organization

**Industrial-Strength Adhesive** - Strong initial tack with permanent bonding

**Heavy-Duty PVC Material** - Flexible, tear-resistant, and weatherproof

**Easy Hand Application** - No special tools or professional installation required

**Superior Conformability** - Adapts to uneven surfaces and curves seamlessly

## **Available Configurations**

**Standard Lengths:** 30m, 33m rolls

**Standard Widths:** 48mm, 50mm

**Core ID:** 76.2mm

**Color Options:** White/Red, White/Green, Black/Yellow, Black/White, Yellow/Green

## **Industrial Applications**

**Warehouse Floor Marking** - Aisle ways, safety zones, storage areas

**Sports Facility Marking** - Basketball courts, tennis courts, badminton courts

**Factory Safety Lines** - Production areas, equipment boundaries, walkways

**Commercial Floor Marking** - Office layouts, retail spaces, parking lots

**Industrial Identification** - Pipe marking, glass partitions, hazard warnings
